

Insight Cash

The Industry's Only Fully Integrated Cage, Vault & Revenue Audit Solution

WHY CHOOSE

Insight Cash?

Insight Cash replaces paper slips, spreadsheets and manual entry with a complete, traceable record of every transaction. Data is validated automatically, helping teams identify issues earlier and spend less time checking routine work. Audited figures flow to the general ledger, giving accounting numbers it can trust.

The result: faster audits, fewer variances and reconciliations that stay on schedule.

HOW IT WORKS

From manual work to automated, accurate operations.

MANUAL TODAY

- ✗ Data pulled and retyped from disconnected systems and paper forms
- ✗ Hours spent hunting down a variance weeks later
- ✗ Most of the day lost to repetitive data entry
- ✗ Audits fall behind, forcing a month-end scramble
- ✗ Paper slips and files pile up, adding cost and storage
- ✗ Vault staff manually total buying/selling paperwork, causing bottlenecks

CONNECTED WITH INSIGHT CASH

- ✓ One system pulls every transaction automatically
- ✓ Variances surface in real time, with a full audit trail
- ✓ Less data entry frees teams for real investigative work
- ✓ Audits stay current, so month-end is calm
- ✓ Everything lives in Insight Cash, eliminating paper, its costs, and storage
- ✓ Paperwork is digitized, removing vault window bottlenecks

THE IMPACT

Work faster without sacrificing accuracy or control.

Reclaim investigative time

Cut manual data entry so your team does the auditing work they were hired to do.

Close shifts in minutes

Staff confirm an expected balance instead of totaling paperwork by hand, so shifts close sooner.

Stay audit-ready

Keep reconciliations current so month-end reporting is on time, every time.

Real Customer Results

30%

increased operational efficiency

20+ hrs

of manual work saved every week

\$575k

up to, in estimated annual savings

WHAT'S INCLUDED

One connected system for cage, vault, and audit.

1

Cage Management

Track every cage transaction in one connected, traceable record instead of paper slips.

2

Vault & Reconciliation

Reconcile vault balances automatically and close the day without the spreadsheets.

3

Revenue Audit

Pull gaming and non-gaming data into one audit, with variances flagged automatically.

4

Accounting & General Ledger

Compile journal entries automatically and post audited data straight to your general ledger.

Cleaner audits start here.
